## EDUCATION & TRAINING

Education	Work Experience	Job Training
Bachelor's Degree	1 to 5 years	None

A bachelor's degree in logistics is required for almost all entry-level logistics jobs. The Institute of Management Consultants USA, Inc. offers the Certified Management Consultant (CMC) designation to those who meet minimum levels of education and experience, submit client reviews, and pass an interview and exam covering the IMC USA's Code of Ethics. Management consultants with a CMC designation must be recertified every 3 years. Certification is not mandatory for management consultants, but it may give a jobseeker a competitive advantage.
