

Employee Productivity

Active Release Techniques

Lakes Area ECI will host Andrew Hoogeveen, PT, DPT to speak on Employee Productivity. This session will help employers become educated on how active release techniques can support physical well-being and minimize ailments in your workforce, impacting workers' compensation claims & loss time injuries

The session will cover the following topics:

- What is Active Release Techniques (ART)?
- How do overuse conditions occur?
- What is an ART treatment like?
- What is the history of Active Release Techniques?
- Problems most commonly relieved through ART treatments
- How can this proactive approach affect your bottom line costs?
- Question and Answer
